

## Faith Journey, India

Thank you for your faithful prayer and your financial support.

I have safely arrived in Guwahati, Assam state of North East India on 03 Dec 2015 after two days of flights starting in Port Moresby. The layover and transiting hours were very tiring and wearisome without food and good rest but by the grace of God I have endured.

My fiancé (Nancy) and her missionary friends and Evangelical Fellowship of India (EFI) Mission's Director have given me good company. I am given a room at EFI hostel in Guwahati where Nancy is a member of EFI staff working here.

Nancy and I are receiving invitations from her church, different organisations and schools to visit, to speak and to facilitate workshops etc. We are prayerfully considering each invitation and trusting God to lead us to a place where we can establish to serve fulltime amongst unreached people group. Please pray with us as we pray that God will give us land in a very strategic location, a people group and a source of financial support for the ministries.
