

It is a great joy to be in the Lord's field or in His vineyard, always be prepared or ready to serve God in any situation, whether or not it is convenient. Be sensitive to the opportunities God gives us.

God has been so good to me as I started my ministry in different places, churches and the Associations. God uses me for His glory alone.

Therefore, first of all I want to thank my friends, families and the sponsors for your constant prayer and financial support. May God bless you all abundantly and looking forward to take a new steps with God through me again.

MINISTRY IN DIFFERENT FIELDS, CHURCHES AND ASSOCIATIONS

Amri Karbi Baptist Association: *I never dream that I will be with these Christian young and committed leaders and the Children of Amri Karbi Baptist Association Assam. It was God who brought me to their Association to testify thy faith and to share 'Children in Mission'. Always keeping them in our prayer that there are many young people who is really committed to serve the Lord.*

Ministry in Arunachal Pradesh

Ministry in Arunachal Pradesh is one of the great challenges to see His glorious through the lives of the people. A humble servant of God opened a Christian school ministry where the place is mostly occupied by the Buddhism, but the beauty that I could see in them is, even if they come from different faith and beliefs when they come together in to the sanctuary they sing praises and glory unto Him. Many people are dying without the love of God as a Christian I feel it is our responsibility to reach them as Jesus has already announced in Matt 28:19ff. Pray for the ministry.

July 2015

I had an opportunity to teach and preach the Sunday School Teachers in Galo Baptist Church Council, Arunachal Pradesh. One day training for the teachers about the Model Children's Workers based in Deuteronomy

Teach and Preach to the Sunday School Teachers in Galo Baptist Church Council, Arunachal Pradesh.

6. They are eager to learn and go out to reach and equip the children in God's word pray for the committed young Sunday school teachers to be an effective God's leading leaders in the church and in the their Association.

Preaching Telam Baptist Church, Arunachal Pradesh

I also had an opportunity to share God's word to the believers in Telam Baptist Church, Arunachal Pradesh, on mother's day. Pray that mother's of that church would be a mother who has a noble character as it is in proverbs 31:10ff.

Summer Camp at Baptist High School, Tening.

There was a summer camp at Baptist High School, Tening, there were around 350 young people attended the summer camp. The spirit of God really moved the heart of the young people. Many of them came forward for their repentance with different problems. Some said, they always think about suicide, some said, they are alcoholics, drugs abuse, victims of sexual intercourse, some from the broken family etc. But I believe God helps those who help themselves and He forgives those who seek His forgiveness. The theme of the summer camp was 'Seek first God's Kingdom' Matt 6:33. Many of them re-committed their lives to the Lord by seeking His forgiveness.

Pray for the Christian living in that district, there is another organization called Hairaka is trying to snatch away the Christian, and unfortunately some of the Christians leader's children are the victim of that organization. This Hairaka might be a Hindu mission that is what the people could observe. Pray for the people those who are the victim of this organization. People easily fall in to their trap because it is free of cost. (free education)
