

Vision 2020 Evangelism & Church Planting Update, Thailand.

The Christmas Evangelism program has been initiated by The Bible League Thailand (TBLT) and Free in Christ Church of Thailand (FICC) under Vision 2020 and beyond. We were blessed to be part of the evangelism program. The joy of witnessing and praying over hundreds of unbelievers coming to accept the faith in Christ and declaring the name of Jesus Christ for the first time is very overwhelming. Below are highlights of the ongoing evangelism program which will end by end of January 2018. Continue to pray and support God's Mission in Thailand.

Preparation

Packing gifts for unbelievers (families) invited to evangelism meetings. These gifts were made available through generous gifts from different missions partners. We acknowledge the financial gifts from our missions partners in PNG and Australia, who have sponsored two evangelistic meetings.

Registration of Unbelievers

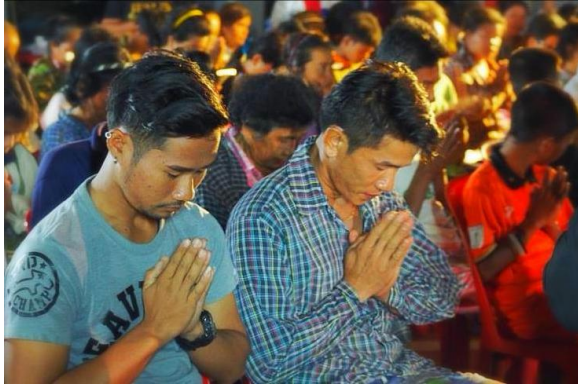

Sinner's Prayer + Accepting Christ

Sharing the Meal

The cooking team and the setup registration team arrived one to two hours early at the meeting site. Those who were invited would arrive and register their personal details for proper followup. Each registered person is given a number to collect gifts at the end of the program.

After the registration each person share with everyone a free sponsored meal. Sharing and meal fellowship is very important and it enable Christians to share the love of God with the

unbelievers. It reflects loving and caring environment. After meal children are separated from adults and youths and the meeting begins.

Presentation of gifts

Those who believe the salvation message shared from God's Word and by the testimonies of recent converts, and decided to accept Christ as their Lord and Savior are called forward and led through the Sinner's prayer and the prayer of salvation.

Many new believers are unable to mention the name 'Jesus Christ', so the leaders would repeatedly encouraging them to mention the name of Jesus correctly.

At the end of every program, each new believer is presented with a gift or two. Inside every gift package, there is a Bible plus a Bible study booklet and a Bible story booklet, which will be utilized during followup programs.

Acknowledgement

"Thank you all for your constant prayer, moral and financial support. We are grateful and thankful to God for your support. We wish you all a blessed and prosperous 2018 in the presence of the LORD. May the LORD shower you with the heavenly blessings as you continue to serve Him. We are looking forward to take another step forward together with you by the grace of God in God's mission this year 2018."

Prayer Points

1. Vision 2020 and ongoing Evangelism and Church planting and visitation and followup programs of new believers. Pray for God's leading and providence.
2. Learning to read, write and speak in Thai. Paul will begin Thai language class this Feb. It costs K2500 to complete a year Thai language course. It is important to read and write and speak in Thai since we are planning for long term missions among Thai people. Pray for Paul to quickly learn and understand and speak Thai and for the financial providence.
3. Paul is currently volunteer and teaching English to primary students at a nearby Buddhist school attached to the temple. Students begin to like Paul and ask local teachers why kru (teacher) Paul is not coming to school. Pray that God's love will overflow through his life touch and change the hearts of students and teachers of the Temple School.
