Preayer Update 10, June-August 2017

EMS OUTREACH, JUNE 2017

At Eden Mission School, the surrounding eight villages usually invited us to share the Gospel with the villagers. We usually climb up and down the mountains to reach different villages. Hostellers (students) with their beautiful voices would present choirs and action songs and read scriptures before sharing the message. Some villages are very far and separate by many mountains. The pictures here show our visit to Nsong village church. Pastor of this church invited us to return next year to conduct leadership seminar, which we are praying about it.

EXTENDING OUR MINISTRY TO THAILAND JUL-AUG 2017

TESOL Training, Chiang Mai, Thailand

Recently we moved to Thailand upon the invitation to volunteer and teach English to Thai people and to involve in church planting and evangelism under the joint Vision 2020 of TBLT and TICC. I went through five weeks of intensive TESOL training and was certified on 04th August 2017. As part of my training I was assigned Randy, my American friend to teach English at a youth detention centre. We were not allowed to share Bible or anything related. We always prayed before and after class in our hearts that these precious young boys will be someday come to encounter Christ in their lives. We were allowed to carry food into the camp. So I usually buy fruits and chocolates and took them to class. I would read scripture over the foods and pray over them before taking it to class and distribute to students. These boys love singing. I decided to use my last lesson to teach them two songs as seeds. As I was praying night before, two songs appeared were, "Kumba Yah My Lord" & "Amazing Grace". They were able to learn faster than I had thought and were singing aloud that the whole prison camp could hear. Randy later explained the word 'Lord' in the song relating to Thai context and began sharing about Jesus Christ that day and I prayed for each one of these young boys. I was assured in my spirit that day that these boys will encounter Jesus in their lives. We are still praying for each of them to come to know the Lord.
