PRAY FOR THAILAND

Soul Harvest Mission Inc.

(Mathew 9:37,38; 28:19, Acts1:8).

This is the eleventh month of Mondo's family living and serving in Thailand. Paul and Nancy praising and thanking God for all the faithful prayers and financial partners for your faithful support toward their faith journey in God's mission. Mondos are praying and planning for long term ministry in Thailand.

Partnering with TBLT and Serving with the Banthawai Home Church

Mondos are partnering and serving in Thailand with The Bible League Thailand foundation under Vision 2020 and beyond. At the Bible League foundation, Paul and Nancy have been involving in distributing Bibles and other Christian literatures to churches throughout Thailand. This year the Bible league foundation has received 15,000 gift boxes from Samaritan Purse (Australia) for child evangelism in Thailand. They have been involving in distributing the boxes to many Christian churches and ministries. Those churches and ministries use the gift boxes as a means to invite non-Christian children and their families to share the gifts with the gospel and the bibles. The LORD has blessed this ministry approach and many children and their parents were able to hear the Good News of the Lord

Jesus for the first time and many have accepted the Lord Jesus into their lives.

Ministry with the Ban Thawai Home Church

The Director of The Bible League Thailand, Rev Narong Tongasuk, introduced Nancy and Paul to the Ban Thawai Home Church, which he is the senior pastor. The elders and members of the church welcomed and embraced Nancy and Paul to be part of the Ban Thawai family.

At the church, Nancy has been given the responsibility to supervise the Sunday school teaching and coordinating the programs. Paul is assisting church music team and taking up sermon from time to time.

The Ban Thawai Home church, has been growing and the owner of the house has allowed for the extension of the worship room to the two family rooms. The work has begun for the extension of the building this month. Please pray with us and support for the completion of the worship room extension project

The LORD has blessed the Vision 2020 and Beyond

200 new believers were being baptized in June 2018, after leading them through a series of continuous Bible studies and teachings.

God is using TBLT and FJCCA (Free in Jesus Christ Church Association) and bless the vision 2020. Hundreds of lost souls and Buddhist devotees in central parts of Thailand have turned their hearts to the Lord and have come to faith in Jesus Christ for the first time and many have confirmed their faith in Jesus Christ through water baptism end of last year and this year. Six new churches have been planted and were recently inaugurated. There are hundreds of house churches waiting counter missions funding from international Christian communities and mission partners to construct new church buildings. God is doing wonderful and amazing things in Thailand. We give glory to God! We encourage our partners to continue to pray and support the soul harvest mission in Thailand. Few pictures to highlight the Vision 2020 mission movement Thailand.

Today, local evangelists of new believers are being trained to continue to reach out to every house churches and villages in their own localities and conduct Bible studies with new believers and preaching the Good News of Lord Jesus to the unbelievers.

English Teaching Ministry Opportunity in Thailand

Mondos were relocated from The Bible League Foundation to their new ministry site; Hang Dong District Chiangmai province, Thailand. They were invited by the Tetchaban Hang Dong school administration to

teach English as a volunteer. The school has arranged the accommodation for the missionary family and is taking care of the house bills. Tetchaban School is a public Buddhist school and is administered according to the principles and standards of Buddhism. Every morning the students assemble and pray to Buddha. Every midday after lunch, all the students are assembled for twenty minutes of meditation practice. None of the eighteen local teachers are Christians teaching a thousand plus students in the school. Paul is teaching listening and

speaking English to all classes, one hour for each class per week. Paul is teaching English eighteen hours each week at the school.

A young Buddhist music teacher, **Kajhonekeat**, who was interested to learn English so Paul is teaching him free conversation English for two hours every Saturday at the missionaries' home. Nancy and Paul are hosting him every Saturday at their home and praying and believing that he will find Lord Jesus, as they continue to share His love with Kajhonekeat. Pray for him that he may be willing and open to listen to the Good News of the Lord Jesus.

Paul is also teaching four hours free conversation English at the church for four hours each week. Our Sunday school teachers and elders of the church are interested and are committing their time to learn English. The free conversation English class is open to anyone who is interested to learn to practice speaking. This is one of the way to reach out to the students and young people who are seeking to learn and improve in their English skills. We are praying and believing that more missionaries from PNG will come as volunteers to teach English in Thailand to share the love of Christ.

The Lord Provides House for a cause.

Missionaries' house has bigger living room and Paul and Nancy have decided and prayerfully making plans to start up the after school and weekend English club at their home, and they are awaiting the sense of direction and confirmation from the Lord. In the meantime they open up their home to host children

Korean Ministry Team doing Children Evangelism at Mondos' House

evangelism meetings by churches and Christian organization in Chiangmai. The first children and youth evangelism team from Korea through Vision Church in Chiangmai were using their house and minister to children and adults in the colony where Paul and Nancy are residing.

Visas and Passports

Paul and Nancy's visas were granted for number of times without much complications and delays. We are acknowledging and grateful to God for the hardworking Bible League staff with their expertise, continued to help for their visas. Both missionaries were granted one year volunteer visas. God has answered the prayers. Baby Nimbine Lemshong Mondo was successfully granted her PNG passport. The LORD has used Rodney, a committed Christian brother together with the PNGSHM team in Port Moresby have been working together to get the Passport done for little Nimbine. This gives us hope that Nimbine will be able to travel to either country of her grandparents in the future.

Prayer Needs

1. Pray for Vision 2020 and beyond. Pray that God will continue to use local Thai Christian in much greater way to expand the church planting and evangelism ministry through Thailand. Pray that missions counter funding be made available in His timing to construct many new church buildings that the house churches will have permanent places of worship.
2. Pray for the Banthawai House Church that God will avail enough funds to complete the project.
3. Pray for Paul, Nancy and little Nimbine. The Lord may continue to use the missionary family to be a blessing to the people of Thailand. Pray that God will provide a Thai teacher for Paul to learn to read and write and speak Thai. Paul understand and speak very little Thai and it's an everyday challenge facing and teaching English to students who cannot speak and understand English.

Thank you and God bless.
